Guy Fanelli Report:

Club House

- The Reidel Wine tasting was cancelled due to a lack of response by the members

Sports Grill

- There will be new hours of operation for the Sports grill. They are Monday thru Thursday 8am to 10pm and Friday thru Sunday 8am to 10pm.
- A request was made for the servers to be more attentive inside and outside
- There is a check for the Deli case. However, we are still waiting for a construction plan which needs to be done by maintenance. The food and beverage committee finds it unacceptable that the club still can not seem to get this done and it needs to happen sooner than later.

19th Hole

- New Breakfast Menu is up and running and has been very well received.
- A new lunch menu is coming to the 19th Hole
- The Reidel Wine tasting was cancelled due to a lack of response by the members
- Guy will check on the status of the Hawaiian Luau that was supposed to be in late July. The board recommended that if the club was still doing the event they really needed to do some publicity.

Miscellaneous

- Rob Schneider has been hired as the new food and beverage director. He comes to us from the Santikos theatres where he ran their food and beverage areas. His focus for the club will be the 19th Hole and the Tennis Grill.
